

CHLOE COMPLETE

SLI043035CCT_PW

Surface-mounted luminaire CHLOE COMPLETE with the possibility of changing the light color (CCT), with a power of 7 W. Thanks to the ability to change the color temperature (CCT) in the range 2700/4000/6000K, we can adjust the light color depending on our needs and preferences. Narrow beam angle 45° gives directional light so that selected objects or surfaces can be better exposed. Designed for surface mounting.
